INSPIRED DESIGN

As Spring ushers in new perspectives, we are pleased to offer an inspired approach to promotional products. Our design team searches the world for what’s in-demand—providing solutions to support the ever-changing ways in which we live, work and play. Inspired by the latest cultural and design trends, we create products that are artfully designed, yet fully functional and flexible, for today’s fluid lifestyle. We design products that make a difference—products that are eco-friendly, use natural and renewable resources, support giving back and promote reuse. We complement our line by developing partnerships with trusted, well-known brands to offer the best selection of innovative, smart and highly desirable products at a wide variety of price points.

Thoughtfully designed and distinctively innovative, take a fresh look with us.

2022 TRENDS

Discover the latest trends that our in-house design team has been busy researching and developing to deliver relevant, distinctive designs and inspired products.

ENGAGE

Inspiring Ways to Connect.
The online world is no longer an escape from reality, but an extension of it, enmeshing itself into our lives both personally and professionally. The total immersion in this virtual world leaves consumers craving a genuine connection with content, products and experiences designed to engage.

ESCAPE

Get Away From it All.
Seeking to take control and get away from our daily routines, we are enamored with adventure—craving getaways both big and small to help us find new ways of escape.

IMPROVE

Imagining a Better Way.
Social consciousness meets personal responsibility as consumers invest their time, money and energy to improve their lives and the world around them.

LOOKBOOK ICONS

Easily identify products that reflect the latest trends and/or have features that meet your customer’s needs.

GIVE BACK
Feel good about making the world a bit better by selecting products from companies that contribute funds to charitable efforts.

SUSTAINABLE
Make a difference with products that are eco-friendly and use recycled materials or renewable resources.

PERSONALIZE
Personalization customizes products with the recipient’s name or initials. It’s a memorable addition to the decoration or as the decoration by itself.

QR CODES
Scan the QR Codes throughout the lookbook for all current US product, pricing, decoration and service information.
EXPLOR THE WORLD AGAIN

Celebrate the Love of Adventure

Out of The Woods® Dolphin Cooler

Keep it cool from the market straight to the picnic blanket with the square-bottomed Dolphin Cooler. It’s flat base allows groceries to stack easily. It’s FSC®-certified (FSC® C153080), made of tree cellulose, a renewable resource, from responsibly managed forests. 24 can capacity.
